HONGRONG SEPTEMBER 20, 1865.

It is the invariable custom, in all civilised countries, whether Empires, Monarchies; Republies, on the occasion of applying for votes on the Budget, for the Minister of I nance to make an exposure of the revenue and expenditure, explaining the reason why certain deductions are made, or why increased taxation is required. A specch on a budget is an important affair, as indicative of the develonement and the resources of a country, and as explanatory to the tax payers of bow the public purse is cared for

So in all British Colonies maintaining their own governments, except this of Hongkong. a similar kind of information afforded, on the estimates being submitted to the Legisla tive Conneil, and it does appear to us degrad ing to a degree that these estimates should be hurried through, in the manner they are here in the form of an Ordinance, simply and sololy for the approval of the Secretary of State, th most studied reticence being observed towards that community which pays the toxes." The system observed has not only the ill effect of keeping the public in the dark as

their own offairs, but it induces the impres sion in the minds of the local authorities, that their duties and the interests of the colony bayo no offinity whatever; that they are respopulble only to the Sceretary of State, whos instructions they do not deny are antagonistic to local interests. The system is so objectionable that it connot last long, but whilst is portinues, the public of this colony cannot Application to be made in the form given expect any amelioration in the present highly uneatisfactory position of affairs. Let the reader fancy to himself for one m mone the contingency of the Governor of this colony having to inv the annual catimates before a Legislative Council composed of members who claim the right to vote according to the consciences and not according to those ins

tructions from the Secretary of State, which they openly declare to be inimical to the it tarests of the colony. Let us apply this con tingency to the introduction of the Estimates for 1868, which were pussed lust Saturday ments, should address the Secretary on the subject authorised by the Arieles of Arecoistion of the and let, us concect such an address from the Governor to the Council, as we consider likely to be made under the circumstances. Mr Mercer would then possibly have had to express himself in some such mode as this. "Gentlemen -The Estimates for 1866 are "before you. I regret to have to state that the Police force continues excessively incl

> ficient and it is my first care to reform it. The "Indian portion of it having been brought on. without their officers, are found to be sadiy "lacking in intelligence, and to be an incondruous mass, of very little service beyond their physical nower. I have written to Bombay and Madras for twenty good Police officers copuble of managing these men and under whose guidance they will become a valuable and an available force. As it is the Indian Police neither understand the English nor the Chinese language, they co nnot be communicated with by those who im "ther serve not yet make themselves intolligible to those whom they are meant to "control. The officers will of course be abdeto read and to write English, and will form the eyes of the force, which are at

present wanting. The additional estimate for these officers, the Council will perceave I ginning it July last, that we made some rea it is. I consider will be well spent, when it Baron de Moritens, in having cast adraft upon le remembered how necessary it is in this the world at Amoy, a number of military mercolony, that life and property should be commes whom he had engaged to light for the Mandarius. Some of these men being French
